

MATT TALBOT RETREAT GROUP 107

February, 2024
Brother Retreatant,

The next retreat of Matt Talbot Retreat Group 107 will be held on the weekend of **April 26-28, 2024**, at the **Malvern Retreat House in Malvern, PA**. The retreat will begin with **check in at 5:00** on Friday evening and **END BEFORE LUNCH** on Sunday at noon. To request a room, please send a **separate reservation form and separate check for each retreatant attending**. Please pre-register to attend. We order welcome gifts two weeks prior to the retreat. Registrations received after that may not get a welcome gift if we run out.

Check in starts at 5:00 PM. Our Lady's Entrance Lobby. No admittance into the buildings before then.

All retreatants will be charged **\$235** to register. **This facility has an elevator**; if you are physically impaired and need a special room assignment; note it on the registration form **SPECIAL NEEDS REQUEST** area. This is a large facility and there will be other group(s) there which may not be recovery related and may include females. We were told by management that we may share the dining room and grounds with other groups, but our meeting rooms will be separate. The bedrooms are **not** air conditioned.

Please, let everyone enjoy their retreat and their time leading up to it. Do not harass officers or steering committee members with questions regarding room assignments, refunds, etc. If you are interested, attend the business meeting on Sunday. We will attempt to answer all questions then.

The cost of this retreat ***DOES NOT INCLUDE SUNDAY LUNCH***.

Because the **primary purpose** of the weekend is to further our **spiritual recovery** from the disease of alcoholism, and in compliance with Group 107's by-laws, it is necessary to restate the following **Rules of Behavior (ROB)** in effect for this and all Matt 107 retreats:

- 1) Absolutely NO physical or verbal sexual harassment will be tolerated.
- 2) Retreatants must respect each others privacy and spiritual goals.
- 3) No card playing, gambling, playing loud music will be permitted. (Musical Instruments can be played in a designated area during reasonable hours).
- 4) Cell phones (calls and text) are to be used **only outside building or in bedrooms**.
- 5) **Any other disruptive behavior** that diminishes another retreatant's ability to pursue his journey of spiritual recovery and growth is hereby included and defined as a violation of the "ROB".

Any violations of the ROB will result in the offending person's dismissal from the retreat without any refunds issued. If you are bringing a "first time" retreatant to the retreat, it is your responsibility to make him aware of the ROB. If you **do not accept** that Group 107's **primary purpose** is to provide a safe sanctuary, favorable to the search and development of spiritual growth, please give some serious thought of attending another type of retreat.

Until we meet, we remain, your Brothers in recovery,
The Steering Committee, Matt Talbot Retreat Group 107
